Directions:

- Place one 5-1/2" Fabric A square on top of one 5-1/2" Fabric B square, right sides together. Draw a diagonal line through the center of the top block (Fig. 1).
- Sew 1/4" away from the drawn diagonal line on each side (Fig. 2).
- Cut the squares across the drawn diagonal line to make two half-square triangles (Fig. 3).
- Open each half-square triangle formed and press. Trim each half-square triangle to measure 4-7/8" square.
- Place one half-square triangle from Step 4 on top of the other half-square triangle, right sides together. Make sure the center seam is going in the same direction on both half-square triangles and the Fabric A triangle is opposite from the Fabric B triangle (fig. 4). Draw a diagonal line across the top half-square triangle so that it goes through the sewn seam. Sew 1/4" away from both sides of the drawn line (fig. 5). Cut on the drawn line to make two quarter-square triangles (fig. 6).
- Repeat Steps 1-6 to make a total of twenty-four Fabric A/B quarter-square triangles and twenty-four Fabric C/D quarter-square triangles.
- Following the quilt photo, sew six A/B and six C/D quarter-square triangles together, alternating them to make one vertical row. Make four vertical rows total.
- Trace the listed number of templates above onto the paper side of the fusible web following the manufacturer's instruction. Roughly cut out each shape and press to the back side of the listed fabric. Cut out each shape on the drawn line.
- Use the quilt photo as reference and fuse the appropriate applique pieces to the top of each Fabric D 8-1/2" x 48-1/2" strip. Finish the raw edges with a decorative stitch such as a satin or buttonhole stitch.
- Following the quilt photo, sew the vertical pieced rows, the applique rows and the eight of the 1-1/2" x 48-1/2" sashing strips together to make the quilt top. Sew one 1-1/2" x 48-1/2" sashing strip to the top and bottom of the quilt top.
- Sew one 2" x 50-1/2" inner border to each side of the quilt top. Sew one 2" x 51-1/2" inner border to the top and bottom of the quilt top. Sew one 4-1/2" x 53-1/2" outer border to each side of the quilt top. Sew one 4-1/2" x 59-1/2" outer border to the top and bottom of the quilt top.
- Layer, quilt and bind as desired.
